| Willins James, clerk, <i>minor canon</i>                                  |    |    |    |    |
| Wodehouse Philip, clerk, <i>pre-</i><br><i>bendary</i> , fr. Close        |    |    |    |    |

\* The votes of the *Dean*, *Prebendaries*, *Minor Canons*, and *Lay Clerks*, for houses which they hold under the Chapter, being doubtful freeholds, were most of them checked at the poll, and their names entered with a check mark: But Mr. Newton's poll was not taken, (through ignorance of the clerk, as we presume) altho' his name was inserted in the book.

1. The first step is to identify the problem or question that needs to be answered. This involves understanding the context and the specific requirements of the task.

1. The first of these is the fact that the
